

Code of rules for participants in „glorious drive“ (drive in convoy) Rallye Rejvív

Elaborated to secure safety and eliminate risk of injury and material loss of glorious drive participants and spectators in belief that excitement from competition shouldn't be stifled by adrenaline way of driving and fun, which does not have to be understood by public.

Activities, constrained by code of rules, are those that threaten with damage to injury, equipment and good name of medical community, organizers and co-organizers (Police of Czech Republic, fire brigade, voluntary organizers and others) in eyes of public and lead to public disturbance immediately after end of Rallye Rejvív.

Code of rules applies to all participants on glorious drive (especially competitors, accompanying persons, players, fans and organizers) and all cars in convoy (especially sanitary, accompanying, private, motorcycles).

Events, accidents, property damage and / or equipment arising from a breach of this Code are not covered by insurance Rallye Rejvív.

It is forbidden, that participants of glorious drive will:

- sit on roof or hood of car during the drive,
- sway from vehicle with more than upper part of chest,
- get off or jump out of vehicle during glorious drive, not even when the convoy stops,
- do abnormal maneuvers, endangering other participants of convoy and spectators (for example mexic wave, sudden deceleration, jumping in and out of moving vehicles),
- overrun each other or overrun accompanying vehicles (accredited television staff and accompanying police vehicles have an exception),
- extend convoy with causeless prolongation of safe distance behind next vehicle,
- causelessly stop at benching during drive in convoy,
- water spectators or other convoy participants, as joviality, which does not have to be understood,
- drink alcohol before and during glorious drive even if they don't drive

We accept „Code of Rules for participants in glorious drive (drive in convoy) Rallye Rejvív“ and we will behave by its rules.
